- Meal plan users have the option of eating their meal in the dining location or taking their meal to-go, but are not permitted to do both at the same time. One transaction per visit is allowed.
- All to-go meals must utilize the reusable to-go box program. If you would like to use your meal plan as a to-go option, you must first purchase a to-go box (\$5+tax) at one of the dining halls. Please bring your empty to-go container to the dining hall each time you wish to take your meal to go. When you return an empty container, you will receive a clean one for that meal. There is no limit to the number of containers you may purchase; however, only one box may be used per entry/meal swipe. No refunds will be given on the reusable to-go boxes.

ATHLETIC MEAL PLANS:

- An athletic meal plan must be purchased in order to eat at Bryant Sports Grill during the evening service. All students are eligible to upgrade their current meal plan to a corresponding athletic meal plan for an additional \$445.
- The athletic meal plan allows members to use a meal swipe to enter Bryant Sports Grill one time per evening for the training table meal, up to 5 per week.
- All students are eligible for the athletic meal plan and do not have to be athletes or on scholarship. Freshman students may add the Athletic meal plan to the Freshman Dining Program All Access meal plan.
- Guest swipes are not permitted for evening training table meal.

FRATERNITIES AND SORORITIES: First-year students who join a Greek organization with an in-house kitchen, serving a minimum of 10 meals per week, will automatically have their meal plan downgraded to the Greek 55 meal plan when UA Dining Services receives pledge lists from the Office of Fraternity and Sorority Life.

- Greek Organizations are responsible for sending pledge lists to the Office of Fraternity and Sorority Life no later than September 30th for the fall semester and February 15th for the spring semester. Pledge list are generally processed for meal plan downgrades within one week. **Students are responsible for reviewing their student account to verify downgrades. No downgrades will be made for members submitted after the dates above. NO EXCEPTIONS.**
- If you do not accept your bid or depledge from the organization, you are required to notify Bama Dining to reinstate your Freshman Dining Program/All Access meal plan.
- How we will credit the original All Access plan to your account:
 - If you are a first-year student at UA, you were automatically assigned an All Access meal plan. The All Access meal plan cost is \$1,837 per semester. When Dining Services receives the sorority bid list (provided by the Office of Fraternity and Sorority Life), all new first-year students with an active All Access meal plan are downgraded to the Greek 55 automatically. Any meal swipes used prior to the downgrade will be subtracted from the original 55 swipes.
 - Each student on the bid list will receive a credit for the All Access meal plan (-\$1,837) on their student account. This will result in a net charge on the student account of \$0.00 for the All Access meal plan. The Greek 55 meal plan charge will be applied to the student account in the amount of \$557.
 - The credit for the difference between the All Access meal plan and the Greek 55 meal plan will be applied to any outstanding balance due on the student account. If the student has no outstanding balance, the credit will be applied to the credit card that was last used on the student account up to the amount previously charged. If a credit card was not used to pay on the student account a direct deposit will be processed.

- Please check your student account to verify the status of your account as no downgrades will be made after the set deadlines.
- Upperclassmen with voluntary meal plans are allowed to downgrade their current meal plan to the Greek 55 if their name is submitted by the deadline.
- Students on the Greek 55 meal plan are not permitted to cancel their meal plan.

GENERAL INFORMATION:

- **All meal plans are sold as an annual contract.** You will be billed for the meal plan selected in fall and automatically billed for the same meal plan in spring on your student account.
- Rollover meals do not apply to cancelled or downgraded meal plans. Rollover meals only roll over from the fall to the spring semester.
- Any remaining meals at the end of the spring semester are forfeited and do not roll over to the summer semester or the following fall semester.
